FRIDAY, JANUARY 26, 1876.

Rothwell School Board Meeting.

On Friday the 31st, a meeting of the School Board took place, presided over by Mr. Heselden, chairman. Messrs. B. Harropes, J. E. Snaith, J. A. Jackson, and the Rev. Mr. Atkinson, and Clerk.

The clerk had received a note from the treasurer stating that the first instalment of the loan from London of £500 was not due.

In accordance with previous arrangements a committee had been appointed to visit Wales, Scotland, and Mersey, South and Solihull, and those gentlemen had laid before the Board their proposals for altering the present system, to make it more suitable for the wants of the town.

The plans were highly commended, but in order to further reduce the cost (£500) they were again referred to the Board, who voted to make no alterations in the proposed improvements.

As the room at present occupied by the Board is not large enough, "Courtown" will shortly be vacated by the trustees of the Wesleyan Society there, the clerk was authorized to make such arrangements as would be found necessary for fully covering on the ground floor of the above room.

It was resolved that each school to Mr. Clarke of the Imperial Fire Insurance office, the sum of £100, to be paid to the new schools may be raised to £200 during the next six months.

The treasurer, the postmaster, and theatty manager of the school, Mr. Lunn, were directed to lay a sum on the table for the payment of the Board. A letter was to be sent to Messrs. Fawcett and Mathers, drawn on Almondbury for £100, to be paid to the Account for building books, and salaries, etc., to the amount of £500 were ordered to be paid.

Rothwell Local Board Meeting.

At the meeting of the Board, which was held on Monday last, there was present Mr. Marshall, Esq., (chairman), Richardson, Lewis, Dr. Lewis, South, Webster, Shurley, and Dr. Lewis.

The minutes of the previous meet and Dr. Lewis, the Medical Officer, states the health of the district was good where being infectious disease except the smallpox case of Mr. Walker, who had been ill during a week ending January 13th.

Mr. Lunn proposed a resolution that the Board should sit fortnightly at six o'clock, and that all plans must be deposited at the Board-room, not later than the 1st Wednesday in each month.—Seconded by Mr. Marshall.

On the accounts being brought up, the bill of Moses, James Foxon and Son, engineers, was strongly condemned, and the Board resolved that persons engaged to do a work in the town, shall have no debts to them, stating that Board considered their charges exorbitant.

It was resolved that an order be granted to Mr. Kendall, contractor, for paving Bell Hill for £200, also that £200 be granted to the Board for the paving of the High Street.

A letter was sent from Mr. Marshall, post master, calling the attention of the Board to the advantage of, and necessity for, erecting the houses in Rothwell, in order to prevent unavoidable mistakes in addressing letters, &c. Several proposals were made and it was agreed to have the same read in the next meeting.

A letter was sent to the Rev. Mr. A. Jackson, minister of the town, and Mr. Nichols, having examined the same, passed.

The Surveyor was instructed to send a notice to Mr. W. Wright, to receive within two days, a plan for the erection in Ripley Row, which has been built without being submitted to the Board.

The plans of Mr. Newbold Bros. for a house to be built at Stourton were passed, when they were required to state the name of the block as decided in a previous resolution.

A heavy rate of sentence was laid at a special meeting held last Monday, was now confirmed, and signed by the members of the Board.

Mr. Whisker was ordered to supply 400 tons of stone for the paving of the High Street, and 300 loads of Drayton's Hamblete Edge, to be loaded on the road on the same highway.

WOODSFORD CHURCH BAZAAR.

A Bazaar for the sale of useful and fancy articles was held on Monday last, in Mr. Bowes's Hall, Woodsford, at 7 o'clock. I should have said that it had been arranged in the All Saints' Church, Woodsford, the terms not being sufficient to the expeditors.

The Church "free and open," and the only source of income derived by the expeditors, was consequently the offerings.

It was decided some time ago by the ladies in the congregation that a Bazaar should be held in the month of August, and for some months they have been busily engaged in making and selling articles, and have sold them to the public to raise money for the Bazaar.

How do you like the new calendar? It was arranged that the first week in August would be a month of prayer, and the second week a month of thanksgiving.

How do you like my wife?

Old Mr. Wharton and his wife retired, and the Rev. Mr. Wharton took their place in the pastorate of the church.

"We are poor, for our people think that we are not rich enough to support us."

ROTHWELL LOCAL BOARD

MEETING.

At a meeting of the Rothwell Local Board held on August 26th, 1878, Present: William Harrop, Esq., Mr. W. H. St. John, Mr. Sanderson, Smith, Webster, Lean, Lawton, Clark, the Inspector of Nuisances, Mr. G. H. Smith, and the Surveyor.

The minutes of the last meeting were read and confirmed.

The Water question was discussed. The chairman reported the result of the two meetings of the Committee on the subject. At the first one after a long and animated discussion it was resolved that three standard pumps should be erected in the south and south-west districts of Rothwell, and that the water should be supplied by the Corporation.

Mr. Fairley gave his opinion.

At a second meeting of the joint authority Mr. Elliptical, Mr. St. John, and the committee and they went round the town and examined the local sources of supply. After some discussion it was voted that the water that the Corporation supplied at a former meeting in regard to the taking of water from Little Moreton Brook should be again brought forward at the next meeting.

Some damage having been done to the water pipes, the Corporation had returned to the meeting so that the committee may take steps to repair the damage.

Plans for Sewerage and Drainage of Rothwell Estate were referred to the engineer who said that the Corporation would be asked to supply the pipe.

Mr. G. H. Smith, Officer of Health reported that the health of the district was good.

He also reported that the health of the district was very good.

The whole of the Highway was in good condition, and the Corporation were to repair the same.

It will be paid for thirty days together.

It is agreed to pay for the work done by the Board of Health.

When the day is fixed for the payment.

The man made up his mind to have his house pulled down, and he sold his land to his son.

He found his son had sold his land to another.

Military, Matelassé Cloth Mantles, Costume, Costume Cloths, Sealing Palettes,

Laces, Gloves, Fur Trimmings, Sets, &c.

We would also call particular attention to the ENORMOUS ARSENAL which has taken

place in the SILK MARKET during the last three months, in anticipation of which we

bought in the months of May and June's very large quantity of Black and Coloured

Cachemires, Gros Grains, and Poult de Soie from the best Lyons manufacturers, whose

names are guaranteed to wear. These goods are now delivered, and we are offering them at

OLD PRICES, which is considerably below the manufacturer's quotations to-day;

and we advise all our friends to make their purchases **HEREIN**, as we shall have to pay at

least from 1s. to 3s. per yard more (according to quality), when we go into the market again.

Soliciting an early call and your kind recommendation,

We are, Madam,
